CALLING OFF GAMES POLICY

Games will not be postponed or rescheduled. EXCEPTIONS: Death of immediate family member or player(s).

In case of inclement weather, all teams scheduled to play at 6:30 should report to your designated field unless otherwise notified. If games are cancelled earlier than 6:30 PM, social media posts on Facebook and Twitter will be made and the message on the Information Hotline will be updated. Please check these outlets if concerned about cancellations.

If the games are called off for inclement weather, or field conditions, the fields will not be available for practice to avoid costly damage to the fields.
